**Opener/Middle Break/Closer

On the trouble of a woman and a man
But you can not impose you can't stick your nose
Into something that you don't understand*

Allemande and Weave

Now who's cheatin' who, who's being true

Swing your Girl, Promenade

You wonder

Who's doing right by someone tonight

And who's car is parked next door

Figures,

**Heads/Sides Promenade half way and then
come down the middle and Square Thru Four
go all the way and then Swing Thru and then**

Boys Run right, Ferris Wheel....,

centers Square Thru Three hands and then

Swing the corner lady Promenade

You wonder

Who's doing right by someone tonight

And who's car is parked next door

Alternate Lyrics Middle Break:

*I thought I knew her well I really couldn't tell
That she had another lover on her mind
You see it felt so right when she held me tight
How could I be so blind*

Closer:

*A heart is on the line each and every time
Love is stolen in the shadows of the night
Though it's wrong all along it keeps goin' on
As long as you keep in outta sight*
