

HTX – 107

”Where Has All the Country Gone”

Called by Christian Sorge

christian.sorge@gmx.de

Bavaria, Germany

Opener:

Sides Face Grand Square

I wanna be Captain Kirk,
Heading out to the Stars
Travelling Millions of Light Years,
Or Take a trip to Mars

Allemande Left and Weave

Spock and Scotty with You

Swing and Promenade (*Klingons on your way*)

The Enterprise is your Castle,
Every Night and Day

Figures,

Heads/Sides

Promenade half way walk in
Square Thru four, go all the way
Right and Left Thru turn the girl,
Veer Left and Ferris Wheel
Centers Square Thru to Three
Your corner Swing, Promenade

Lying awake till the morning dawn,
But where has all the county gone

Middle Break:

Sides face Grand Square

*Or should I be like Lucky Luke,
Round me deserts, no rain
Riding on Jolly Jumper
that doesn't ease my pain

Allemande Left and Weave

Want to discover the space
Leave Rantanplan without trace

Swing and Promenade

Now it's me and my Starship
Not staying long in one place

Closer:

Sides Face Grand Square

I'd rather be Hans Solo
Life would be dangerous but fun
With the Millennium Falcon
Flying by the Sun

Allemande Left and Weave

Shaking hands with the Jedi's
And scratching Chewee's fur
Even fighting star troopers
The action that I prefer

Tag

Where has all the country
Where has all the country gone, gone, gone

***Alternate lyrics**

*Or should I be Little Joe
Underneath western skys
Dreaming of far away places
When I close my eyes*

Want to discover the space
Leave Cartwrights' without trace
Now it's me and my starship
Not staying long at one place
