

“There Goes That Song Again”

HTX – 116

Called by: Ron Markus

OPENER - MIDDLE BREAK - CLOSER

Sides face grand square
There goes that song again
We used to call it our serenade
We fell in love when we heard it played
Over and over and over and over again
Circle left
I still remember when
I sang the words and they made you mine
Left allemande and promenade in time
Over and over and over and over and then

FIGURE

Walk in square thru go four
Four hands on around and a right & left thru
Veer left, ferris wheel you do now

Swing your corner lady, promenade and go

We fell in love, oh there goes that song again
