

HTX 126 Friend Like Me Called By Johnny Preston

OPENER

All **4 ladies circle left** on the inside of the ring
Back out at home, all **join hands**
And **circle to the left** I sing
Hey the **men star by the right**, you're gonna roll it round I say
Do an **allemande left** that corner girl
And **weave around that ring**
And I'll say, Mister Aladdin, sir
What would your pleasure be?
Swing that lady go round and **promenade** you see
Life is your restaurant and I'm your maitre'd
Come on whisper what it is you want
You ain't never had a friend like me

FIGURE SSD/ Mainstream, corner progression

Heads square thru and go 4 hands around I say
And then you **dosado** that corner lady, gonna **make your wave**
Swing thru go two by two and then the **boys run right**
You've gotta **bend the line** and a **right & left thru**
Turn that girl tonight

You **pass the ocean** then, **recycle** round you see
Swing and whirl that corner lady and **promenade** for me
*Try some from column "A" and all of column "B"
I'm in the mood to help you dude
You ain't never had a friend like me

MIDDLE BREAK

Circle left

We pride ourselves on service
You're the boss, the king, the shah
Say what you wish, it's yours, true dish
How 'bout a little more baklava?
Hey the **men star by the right**, you're gonna roll it round I say
Do an **allemande left** that corner girl and **weave around that ring**
You got some power in your corner now
Some heavy ammunition in your camp
Swing that lady go round and then
You're gonna **promenade** like that
And I'll say whoa ho, yeah, yeah, woo woo

CLOSER

Circle left

We pride ourselves on service

Do an **allemande left** that corner girl and **weave around that ring**
Mr. Aladdin, sir, what would your pleasure be?
