

**HTX130**

**"I Won't Go Huntin With You Jake"  
Called by the late Dave L. Walker**

**OPENER - MIDDLE BREAK - CLOSER** Basic - SSD week 4

**Sides face grand square**

\*It's springtime in the Rockies and I'm full of mountain dew

Can't even read my catalog like I used to do

I'm sittin' in that little shed right back of the house

**Allemande left** your corner, then you **weave that ring** somehow

Won't go hunting with you Jake, but I'll go chasin' women

**Swing** that lady go round and **promenade** around I'm thinkin'

\*\*I'm sittin' in that little shed right back of the house

Here comes Jake with all them hounds, he's going to hear me shout

**ALTERNATE LYRICS**

\*Let's go down to the meetinghouse and wait till they start home

Them gals that live on Possum Creek we'll always leave alone

We'll run 'em down the corn rows, them sassy little misses

\*\*We'll run 'em down the corn rows them sassy little misses

We'll scare them pretty girls half to death, we'll stop and throw them kisses

\*Now wash your face and comb your hair, it's durn near time to start

Let me say before you go there's one that's got my heart

Don't chase the girl with the yellow hair and wears a dress of green

\*\*Don't chase the girl with the yellow hair and wears a dress of green

That little girl belongs to me, I know she's past sixteen

**FIGURE** Mainstream - SSD Week 12, corner progression

**Head (side) two couples square thru 4** hands around you go

All the way around that ring and a **right & left thru** you now

**Veer to the left, half tag** and then you'll **scoot back**

**Boys run** to the right, **pass the ocean** there tonight

**Swing thru** and the **boys trade** and the corner lady **swing**

**Swing** that lady go round and **promenade** around that ring

The moon is bright and I'm half tight, quit your silly grinnin'  
Won't go hunting with you Jake, but I'll go chasin' women

**TAG**

The moon is bright and I'm half tight, quit your silly grinnin'  
I won't go hunting with you Jake, but I'll go chasin' women
